

What can/can't go in the CircularBag®?

We collect plasticised film and stretch film in the CircularBag. We can only recycle these types of film into new flower sleeves and CircularBags. So take care when separating your plastic waste!

YES PLEASE

- ✓ Plastic flower film
- ✓ Plastic flower and plant sleeves
- ✓ Shrink wrap/stretch film from pallets and trolleys

100% RECYCLED

NO THANKS

- ✗ Adhesive tape (waste), labels, (price) stickers and tape (small amounts on film may go into the CircularBag)
- ✗ Plastic lashing straps
- ✗ Plastic tea and coffee cups
- ✗ Polystyrene (EPS), this is collected and recycled separately
- ✗ Paper and cardboard, this is collected and recycled separately
- ✗ Any other waste
